

## Evening and Weekend Valuation and Modeling Course Frequently Asked Questions

### What is the target audience for the course?

The course is designed for a variety of audiences. They include:

- Industry professionals that want to improve their finance skill-set to enhance their job responsibilities, build job security and increase the possibility of promotion
- Students who want to complement their course work with practical corporate valuation and financial modeling knowledge before starting as an analyst or associate
- Prospective lateral hires looking to gain a competitive advantage in advancing their career or landing a job in the financial services industry (private equity, investment banking, hedge funds, research, asset management, etc.)

### What are the differences between TTS's Evening and Weekend Valuation and Modeling course and similar courses offered by other training providers?

Training The Street is the standard for corporate valuation and financial modeling training. We are the trusted partner to the world's most respected investment banks, private equity shops, consulting firms and top universities.

### Tell me more about your instructors – are they full-time employees of TTS?

Yes! Our instructors love to teach and have had successful careers in investment banking. This full-time dedication to teaching is a part of TTS's quality guarantee. Ask around – there are several good reasons why we perform on-site training for the most prestigious firms in the world and our full-time instructors are a large part of it. [View our team.](#)

### What is the referral reward program and how does it work?

The referral reward program is a means by which you can help advance a friend's career and lower your cost. If you refer a friend to the Valuation and Modeling course, we will refund you and your friend \$150 each – a \$300 total savings. The terms and conditions for the referral reward program are as follows:

- There is no limit to the amount of referrals you can make
- One referral per referred student (i.e. a person can only be referred by one friend)
- Referring friend name must be provided at referred friend's registration
- Referral refunds will be paid with a check after successful completion of the Valuation and Modeling Course by both you and your referral
- You and your referral must make it clear upon course registration that you are requesting the "Referral Reward"

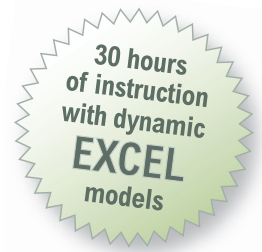

### What else do I get if I sign up?

In addition to 28 hours of live instruction, TTS supplements the course with the following:

- Detailed Course-Pack, including "secret" practitioners tips and tricks
- Numerous customizable Excel modeling templates and solutions that can be used to analyze complex deals, including: Trading Comparables, Transactions Comparables, DCF, LBO, Merger Consequences and of course, a fully integrated standalone company model
- Our new dynamic [Corporate Valuation Self Study](#) course with over 15 hours of instruction – a \$150 value for FREE
- Prior to the start of each class the instructor will hold office hours for individual assistance
- Free Capital IQ access for 60 days (certain restrictions may apply)

### Are there any pre-requisites that need to be completed prior to taking the course?

No.

**What do I need to bring to the course?**

- Laptop with Microsoft Excel, Adobe Acrobat Reader and USB memory stick ability (for file sharing and distribution). Modeling classes are optimized for Office 2007, 2003 and earlier versions. In addition, many of the shortcut keys will not work for MAC OS. It is highly recommended that all participants bring a PC to the sessions.
- Financial calculator, preferably the HP-12C or HP-17BII

**Is there a student discount?**

Yes! We offer a \$100 student discount for our Valuation and Financial Modeling course. In order to qualify, we require an email address from an academic institution and other proof of enrollment (current student id or other documentation). Please call us for more information at (800) 887-1320.

**If I have individual questions will the instructor be available to answer them?**

Yes! Before the start of each class the instructor will hold office hours to provide participants with individual attention and support.

**How will this course help me in an interview?**

In 2008, TTS offered on-site valuation and financial modeling training programs to more than 50 corporate clients. Because TTS leads the majority of entry level training for investment banking analysts and associates, we know what you need to know to get an investment banking job.

Additionally, our strong brand reputation is a testament to the high level of quality of our training programs. If you are planning to interview for a private equity or investment banking position, completing a TTS course will bring additional credibility to your finance skill set. Our goal is to give you the tools you need to interview well and then hit the ground running once you are on the job.

**What is the difference between the Evening and Weekend Valuation and Modeling Course and the TTS Core Open Enrollment Training course?**

The key difference between the two is the time frame over which each course is held. TTS Core courses are perfect for professionals and students who need to get up to speed quickly in order to add value in their company or prepare for an interview. Our Evening and Weekend Valuation and Modeling courses are for participants who are fully committed during the day-time, but need valuation and financial modeling skills to meet current or future career goals.

**How can I register for the Evening and Weekend Valuation and Modeling course?**

Easy! Just go to <https://register.trainingthestreet.com>. You will need a class code to register into the correct course. For the class code go to [http://www.trainingthestreet.com/evening\\_valuation](http://www.trainingthestreet.com/evening_valuation). Once you register online you will receive an automatic response confirming your registration. You can also register via the last page of our course [brochure](#).

**Is it possible to register for only a particular session or a smaller series of sessions?**

No. The course is a bundled package and participants are required to purchase the course as a whole.

**What are my payment options?**

You can pay with a check (US \$) or credit card. TTS accepts Visa, MasterCard and American Express. Registration will not be complete until payment has been received. If payment will be made by check, registration will be completed upon receipt of a check (US \$). If payment will be made with a credit card, registration will be complete upon successful processing of the credit card 14 days prior to the first day of attendance.

**Until what date can I register for the Evening and Weekend Valuation and Modeling course?**

TTS recommends that you sign up as soon as possible in order to reserve a space in the course. Space is limited and seats are allocated on a first-come, first-serve basis.

**If I am unable to attend the course, can I transfer my registration to the next available TTS course?**

Yes. TTS allows transfers subject to certain restrictions and availability. Each transfer request is subject to a 15% rebooking fee. Transfer requests must be made at least 14 days prior to the first day of class. TTS does not allow transfers within 14 days of the first day of class. There is only one transfer allowed per participant. Requests for a transfer should be made via email to [info@trainingthestreet.com](mailto:info@trainingthestreet.com).

**Can I transfer my enrollment to another participant?**

Yes. However, you are responsible for all aspects of transferring enrollment to another participant including notifying TTS of the transfer.

**Will I receive a receipt for the course?**

Yes. TTS will provide receipts to all participants at the conclusion of the course.

**What sort of certification will I be provided with upon completion of the course?**

All participants will be awarded TTS certificates upon successful completion of the course. Attendance is compulsory at each class session for successful completion of the course.
